

"Speak" through Prayer

"Prayer is never a last resort; rather it is a powerful first response."

Please consider . . .

- 1) **Strength** and **togetherness** for Sahrawi families, despite years of separation.
- 2) **Perseverance** and **encouragement** for children and young adults held in Cuba against their will and without the consent of the parents.
- 3) **Transparency** and **careful stewardship** over the donations of governments, Evangelical groups and international aid organizations to ensure that the food, medical supplies and money reach those who need it.
- 4) **Unwavering hope** and **faith** for the oppressed Sahrawi people and the nation of Morocco that there will soon be an end to suffering and separation.
- 5) **Wisdom** for all of the political leaders who must find a just solution for this 30 year-long conflict.
